Science · 17 questions

**QUESTION 1** Multiple Choice

**Tính nghiệm** của phương trình $x^2 - 5x + 6 = 0$.
Choose the correct pair of roots.

- **A.** $x = 2, 3$
- **B.** $x = -2, -3$
- **C.** $x = 1, 6$
- **D.** No real roots

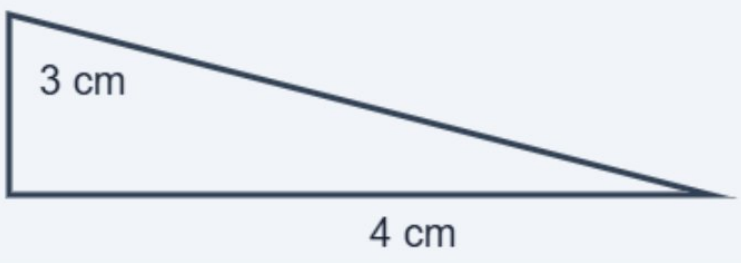

**QUESTION 2** Short Answer

Evaluate the integral. Show your work.

$$\int_0^1 x^2\,dx = \left[\frac{x^3}{3}\right]_0^1$$

**QUESTION 3** True False

A right triangle satisfies $a^2 + b^2 = c^2$.

- **A.** True
- **B.** False

**QUESTION 4** Multiple Choice

Read the **table** and choose the *largest* value.

| Item | Value |
|---|---|
| Alpha | 12 |
| Beta | 24 |

Use `max(values)` to check.

**A.** Alpha

**B.** Beta

**QUESTION 5** Multiple Choice

Practice 1: Find the value of $\frac{2}{2}$ and explain the relationship between the numerator and denominator.

**A.** First possible answer

**B.** Second possible answer with **emphasis**

**C.** Third possible answer

**D.** Fourth possible answer

**QUESTION 6** Multiple Choice

Practice 2: Find the value of $\frac{3}{2}$ and explain the relationship between the numerator and denominator.

**A.** First possible answer

**B.** Second possible answer with **emphasis**

**C.** Third possible answer

**D.** Fourth possible answer

**QUESTION 7** Multiple Choice

Practice 3: Find the value of $\frac{4}{2}$ and explain the relationship between the numerator and denominator.

**A.** First possible answer

**B.** Second possible answer with **emphasis**

**C.** Third possible answer

**D.** Fourth possible answer

**QUESTION 8** Multiple Choice

Practice 4: Find the value of $\frac{5}{2}$ and explain the relationship between the numerator and denominator.

**A.** First possible answer

**B.** Second possible answer with **emphasis**

**C.** Third possible answer

**D.** Fourth possible answer

**QUESTION 9** Multiple Choice

Practice 5: Find the value of $\frac{6}{2}$ and explain the relationship between the numerator and denominator.

**A.** First possible answer

**B.** Second possible answer with **emphasis**

**C.** Third possible answer

**D.** Fourth possible answer

**QUESTION 10** Multiple Choice

Practice 6: Find the value of $\frac{7}{2}$ and explain the relationship between the numerator and denominator.

**A.** First possible answer

**B.** Second possible answer with **emphasis**

**C.** Third possible answer

**D.** Fourth possible answer

**QUESTION 11** Multiple Choice

Practice 7: Find the value of $\frac{8}{2}$ and explain the relationship between the numerator and denominator.

**A.** First possible answer

**B.** Second possible answer with **emphasis**

**C.** Third possible answer

**D.** Fourth possible answer

**QUESTION 12** Multiple Choice

Practice 8: Find the value of $\frac{9}{2}$ and explain the relationship between the numerator and denominator.

**A.** First possible answer

**B.** Second possible answer with **emphasis**

**C.** Third possible answer

**D.** Fourth possible answer

**QUESTION 13** Multiple Choice

Practice 9: Find the value of $\frac{10}{2}$ and explain the relationship between the numerator and denominator.

**A.** First possible answer

**B.** Second possible answer with **emphasis**

**C.** Third possible answer

**D.** Fourth possible answer

**QUESTION 14** Multiple Choice

Practice 10: Find the value of $\frac{11}{2}$ and explain the relationship between the numerator and denominator.

**A.** First possible answer

**B.** Second possible answer with **emphasis**

**C.** Third possible answer

**D.** Fourth possible answer

**QUESTION 15** Multiple Choice

Practice 11: Find the value of $\frac{12}{2}$ and explain the relationship between the numerator and denominator.

**A.** First possible answer

**B.** Second possible answer with **emphasis**

**C.** Third possible answer

**D.** Fourth possible answer

**QUESTION 16** Multiple Choice

Practice 12: Find the value of $\frac{13}{2}$ and explain the relationship between the numerator and denominator.

**A.** First possible answer

**B.** Second possible answer with **emphasis**

**C.** Third possible answer

**D.** Fourth possible answer

**QUESTION 17** Short Answer

Read the following long passage.

Line 1: A long question should continue cleanly on the next page without cutting its text.
Line 2: A long question should continue cleanly on the next page without cutting its text.
Line 3: A long question should continue cleanly on the next page without cutting its text.
Line 4: A long question should continue cleanly on the next page without cutting its text.
Line 5: A long question should continue cleanly on the next page without cutting its text.
Line 6: A long question should continue cleanly on the next page without cutting its text.
Line 7: A long question should continue cleanly on the next page without cutting its text.
Line 8: A long question should continue cleanly on the next page without cutting its text.
Line 9: A long question should continue cleanly on the next page without cutting its text.
Line 10: A long question should continue cleanly on the next page without cutting its text.
Line 11: A long question should continue cleanly on the next page without cutting its text.
Line 12: A long question should continue cleanly on the next page without cutting its text.
Line 13: A long question should continue cleanly on the next page without cutting its text.
Line 14: A long question should continue cleanly on the next page without cutting its text.
Line 15: A long question should continue cleanly on the next page without cutting its text.
Line 16: A long question should continue cleanly on the next page without cutting its text.
Line 17: A long question should continue cleanly on the next page without cutting its text.
Line 18: A long question should continue cleanly on the next page without cutting its text.
Line 19: A long question should continue cleanly on the next page without cutting its text.
Line 20: A long question should continue cleanly on the next page without cutting its text.
Line 21: A long question should continue cleanly on the next page without cutting its text.
Line 22: A long question should continue cleanly on the next page without cutting its text.
Line 23: A long question should continue cleanly on the next page without cutting its text.
Line 24: A long question should continue cleanly on the next page without cutting its text.
Line 25: A long question should continue cleanly on the next page without cutting its text.
Line 26: A long question should continue cleanly on the next page without cutting its text.
Line 27: A long question should continue cleanly on the next page without cutting its text.
Line 28: A long question should continue cleanly on the next page without cutting its text.

Line 29: A long question should continue cleanly on the next page without cutting its text.
Line 30: A long question should continue cleanly on the next page without cutting its text.
Line 31: A long question should continue cleanly on the next page without cutting its text.
Line 32: A long question should continue cleanly on the next page without cutting its text.
Line 33: A long question should continue cleanly on the next page without cutting its text.
Line 34: A long question should continue cleanly on the next page without cutting its text.
Line 35: A long question should continue cleanly on the next page without cutting its text.
Line 36: A long question should continue cleanly on the next page without cutting its text.
Line 37: A long question should continue cleanly on the next page without cutting its text.
Line 38: A long question should continue cleanly on the next page without cutting its text.
Line 39: A long question should continue cleanly on the next page without cutting its text.
Line 40: A long question should continue cleanly on the next page without cutting its text.
Line 41: A long question should continue cleanly on the next page without cutting its text.
Line 42: A long question should continue cleanly on the next page without cutting its text.
Line 43: A long question should continue cleanly on the next page without cutting its text.
Line 44: A long question should continue cleanly on the next page without cutting its text.
Line 45: A long question should continue cleanly on the next page without cutting its text.
Line 46: A long question should continue cleanly on the next page without cutting its text.
Line 47: A long question should continue cleanly on the next page without cutting its text.
Line 48: A long question should continue cleanly on the next page without cutting its text.
Line 49: A long question should continue cleanly on the next page without cutting its text.
Line 50: A long question should continue cleanly on the next page without cutting its text.
Line 51: A long question should continue cleanly on the next page without cutting its text.
Line 52: A long question should continue cleanly on the next page without cutting its text.
Line 53: A long question should continue cleanly on the next page without cutting its text.
Line 54: A long question should continue cleanly on the next page without cutting its text.
Line 55: A long question should continue cleanly on the next page without cutting its text.
Line 56: A long question should continue cleanly on the next page without cutting its text.
Line 57: A long question should continue cleanly on the next page without cutting its text.
Line 58: A long question should continue cleanly on the next page without cutting its text.
Line 59: A long question should continue cleanly on the next page without cutting its text.
Line 60: A long question should continue cleanly on the next page without cutting its text.
Line 61: A long question should continue cleanly on the next page without cutting its text.
Line 62: A long question should continue cleanly on the next page without cutting its text.
Line 63: A long question should continue cleanly on the next page without cutting its text.
Line 64: A long question should continue cleanly on the next page without cutting its text.
Line 65: A long question should continue cleanly on the next page without cutting its text.
Line 66: A long question should continue cleanly on the next page without cutting its text.
Line 67: A long question should continue cleanly on the next page without cutting its text.
Line 68: A long question should continue cleanly on the next page without cutting its text.
Line 69: A long question should continue cleanly on the next page without cutting its text.
Line 70: A long question should continue cleanly on the next page without cutting its text.

Line 71: A long question should continue cleanly on the next page without cutting its text.
Line 72: A long question should continue cleanly on the next page without cutting its text.
Line 73: A long question should continue cleanly on the next page without cutting its text.
Line 74: A long question should continue cleanly on the next page without cutting its text.
Line 75: A long question should continue cleanly on the next page without cutting its text.
Line 76: A long question should continue cleanly on the next page without cutting its text.
Line 77: A long question should continue cleanly on the next page without cutting its text.
Line 78: A long question should continue cleanly on the next page without cutting its text.
Line 79: A long question should continue cleanly on the next page without cutting its text.
Line 80: A long question should continue cleanly on the next page without cutting its text.
Line 81: A long question should continue cleanly on the next page without cutting its text.
Line 82: A long question should continue cleanly on the next page without cutting its text.
Line 83: A long question should continue cleanly on the next page without cutting its text.
Line 84: A long question should continue cleanly on the next page without cutting its text.
Line 85: A long question should continue cleanly on the next page without cutting its text.

**END OF LONG QUESTION**
